

Krishi Udan Yojana 2.0

Krishi Udan Yojana 2.0 is to increase the share of air transport of agricultural products such as horticulture, fisheries, livestock and processed products.

Krishi Udan Yojana was launched in August 2020. The same Krishi Udan Yojana 2.0 was announced on 27 October 2021.

29 states are covered under Krishi Udan 2.0 scheme.

Krishi Udan Yojana 2.0 was mainly focused on transportation of perishable food products from hilly areas, north-eastern states and tribal areas.

All airports in NER states including Assam are covered under this scheme.

There is no specific budget for Krishi Udan under the scheme.
